## Opening Remarks

### Business Support

We highlight the Help to Grow programme that has recently relaunched and the Remanufacturing Catalyst programme, both from the University of Brighton.

### Two Fantastic Member Offers

Ever wondered what to do with sensitive data on hard drives, mobiles and tablets? Get it professionally and securely shredded for FREE before the Easter break... For anyone considering sending one of their girls to one of the finest public schools in the UK, read more below.

### Burgess Hill Means Business

We have now sold over 50 exhibition spaces and, in addition to these, provided many of our local charities and fundraising initiatives an opportunity to showcase what they do. We have more detail on what's in store at our very special business expo.

**Book the last remaining exhibitor spaces via [Billetteo](#)**

### In other news

It's tough running a business, and building and sustaining a great business over 40 years is something special we celebrate this week. There's much on offer in June at another big business exhibition in Brighton. Later next month the town honours the 80th anniversary of VE Day.

### Training

People - your most valuable asset. Find out more about our training courses, covering areas such as management and leadership skills, sales and account management skills and making sure your teams are cybersecurity savvy. All our training courses are listed and available throughout 2025: [Training](#)

### Events

We open with a short photo essay from this week's joint event with our sister business groups in Mid Sussex, highlighting our effectiveness creating great business connections and enabling new collaborations.

Make sure you catch next week's issue (out on Thursday) where we announce for the first time some truly extraordinary events we have arranged for June, July and September.

You'll find details of currently planned events on our website: [Book Events](#)

We welcome another new member this week. Become part of the fastest growing business group in Sussex: [Join Here](#)

# Burgess Hill Means Business - May 15th

## Expect a huge footfall from across Sussex

We have more exhibitors than ever and spaces are still available. But you'll need to [book your stand now](#) to avoid disappointment.

Our event will be promoted across Sussex. A sustained radio campaign is launching soon on [More Radio](#) encouraging visitors to come and see what makes **Burgess Hill a Vibrant Place to do Business.**

Every business group... East to West, from Hastings to Chichester, and North to South from Crawley to Brighton will be promoting our event to their members.

We'd like to thank our valued sponsors for their support: **BHMB25 Sponsors:**

### **BHMB25**

**Thursday 15th May**

**Visitors: 10.00am-3.30pm**

### **The best business expo in Mid Sussex**

This is an opportunity to meet your neighbours on the business parks in and around Burgess Hill, to network and to discover new business opportunities. Expect some of our largest members exhibiting and a wide range of others, from a diverse range of sectors.

Delta Security Management return in 2025

### **CPR Training**

There will be plenty going on during the day, including CPR training sessions, run by First Aid Trainers. Why not book your staff in for some essential knowhow.

### **Charity fundraising**

We'll be raising funds throughout the day for two great local charities, St Peter & St James Hospice and Kangaroos. Many of our exhibitors have already pledged some fabulous raffle prizes.

One of several fascinating stands returning

Showcase for a number of local initiatives

Expect visitors from across Sussex

## University Business Support

We'll have all the universities in Sussex in attendance, offering their advice on all manner of business support programmes and on hand to discuss the degree apprenticeship courses they run.

On the day there's also a number of training providers explaining more about their courses. Find out how best to leverage your **best business asset - your people**

## BHBPA in the Community

The event will also be providing free exhibition space to a number of very valuable local initiatives and charities,

We'll also be showcasing the incredible support offered by our members supporting our local schools. Some truly inspiring stuff such as Burgess Hill Academy's Green Power car club, an after-school club that several of our members are very actively funding and supporting.

## Mid Sussex Science Week

Find out all about [Mid Sussex Science Week](#), This year it is bigger than ever, with 12 primary schools across Haywards Heath & Burgess Hill involved, most of which mentored by members of BHBPA, developing Junior STEM Projects. BHBPA is on a mission to nurture future talent in our town. Mid Sussex Science Week has it's big event at the same venue a week after our expo. This year we will be welcoming nearly 200 ten year olds to show off their brilliance.

## Great BHMB25 Offers

Next week you'll hear more about the many great and valuable promotions and opportunities our exhibitors will be offering at our event.

This week we have an important announcement, as we strive towards greater sustainability:

## Ditch the Plastic at BHMB25

Official Hydration Partners - Aquapax

BHBPA Member company AQUAPAX – Just Drinking Water Ltd has signed up as our official Hydration Partners for Burgess Hill Means Business, on 15th May at The King's Centre, Burgess Hill, essentially turning our event into a very progressive 'plastic free' hydration event.

AQUAPAX will be supplying 3 of their award winning water cartons for each exhibitor stand at the show free of charge.

### Why not offer your stand visitors some refreshment?

Should any Members wish to top up their '3-free AQUAPAX' they can contact Neil and Team at AQUAPAX directly via email: [hello@aquapaxwater.com](mailto:hello@aquapaxwater.com) with 'Burgess Hill Means Business - Water' in the subject line, advising how many additional cases of water you will require.

Neil and team will get a quotation back to you for delivering whatever volume of water you specify, directly to your exhibition stand.

### Don't delay!

The event isn't too far off, so they will need to know your additional water requirements by the end of April, to ensure provisions are in place before the event.

## Over 55 exhibitors already signed up

An award winning stand from BHMB23

### Exhibition Space

You'll need to book soon to secure a stand,

- Members: £149
- Non-Members £449

**Exhibitor Access** - Main auditorium from 3.00pm to 7pm on Wednesday 14th May and from 8.00-9.30 on Thursday 15th May

This year we have even more space available at the venue, paid-for stands are all in the main auditorium.

We'll again be running a competition for the best stand of the show.

Book via ticket platform - Billetto [HERE](#)

## About our Headline Sponsor

**HSEnergy Group Ltd is proud to be the headline sponsor of Burgess Hill Means Business 2025.**

As a leader in renewable energy solutions, we help businesses take control of their energy future with cutting-edge solar and battery storage systems. Our energy storage solutions empower businesses to reduce costs, enhance resilience, and unlock new revenue streams by optimising energy use.

By supporting this event, we're championing local businesses in their journey toward greater energy independence and sustainability. We look forward to connecting with forward-thinking companies and driving innovation together.

### Wilderdays

#### A nature-led events business

**Kathleen Sinclair**

Hi, I'm Kathleen—founder of Wilderdays, a nature-led events business based in a beautiful forest garden in Stanmer Park, Brighton. We help teams and individuals reconnect to what's real.

We design meaningful team-bonding experiences that take people out of the office and into nature—where the pressure lifts, the noise fades, and real connection can happen.

Whether your team is remote, office-based, or hybrid, we help connect team members and deepen relationships in a way that actually sticks.

## At Wilderdays, we offer:

- Team bonding days built around fire, bushcraft, nature connection activities, and mindful practices
- Private group experiences that bring people together for real connection, laughter, and a break from the usual—such as alternative hen and stag dos, birthday celebrations, or simply time to reconnect with friends
- Monthly Wilder Women's Circles—a place to land, exhale, and be real
- Forest school sessions for nature-based learning and play

Our experiences include a range of hands-on activities like knife work, fire-making, foraging, meadow bathing, wild crafts, and campfire cooking—balanced with time for slowing down, unwinding, and switching off. A true digital detox, in wild places, with real people.

We believe wellbeing shouldn't stop at surface level—it should reconnect people to what really matters.

I'd love to talk to you about what we can offer your team—get in touch to design a bespoke experience that fits your people.

Kathleen  
Founder, Wilderdays

# Major Milestone for UK Manufacturer

## Celebrating 40 Years of LB Enclosures

April marks a major milestone for LB Enclosures as we proudly celebrate 40 years of trading. Founded in 1985 by our majority shareholder John Philip Lincoln Binns, the company began life in a garage under the name Lincoln Binns Ltd. From those modest beginnings, we've grown into a trusted global presence in the electronics enclosure market.

Being a UK manufacturer has always been at the heart of our identity. We're proud to continue designing and manufacturing our products in the UK, combining decades of experience with forward-thinking innovation. Our commitment to quality and service has enabled us to grow steadily, now exporting to over 30 countries around the world.

Over the last four decades, we've expanded our product range, adapted to new technologies, and diversified our services to meet the demands of a fast-moving industry. Today, our capabilities include CNC Punching, Milling, fabrication and Digital Printing all carried out in-house to maintain the highest standards.

Reflecting on the journey, founder John Binns said, *"I've seen many great businesses close. It's not easy being a UK manufacturer, but sticking to our core values fair pricing, excellent quality, and great service has been key to our longevity. Never forget, it's about the customer, not you."*

Last year, we rebranded to LB Enclosures, offering a fresh, focused outlook while staying true to our founding principles. The new name reflects both our growth and our vision for the future.

As we celebrate this important anniversary, we would like to sincerely thank our customers, suppliers, and partners for their continued support. You've been a vital part of our journey, and we look forward to building the next chapter together.

# The Remanufacturing Catalyst

## The Remanufacturing Catalyst for the South East

The Remanufacturing Catalyst for the South East was set up to improve the economic and environmental sustainability of manufacturing processes.

It aims to help businesses move towards net zero and embrace a circular economy through remanufacturing and value retention processes.

Based at the University of Brighton, the catalyst is part of a multimillion-pound research project involving six universities, industry partners, local authorities, and high-value catapults such as the Manufacturing Technology Centre.

Launched in 2024, it is using AI and intelligent automation to create a new manufacturing ecosystem that promotes cost-effective circular resource use and drives sustainable innovation.

### **What is remanufacturing?**

Remanufacturing is the process of taking used products and restoring them to like-new condition, preserving their highest value.

Compared to traditional manufacturing, remanufactured products are between 20% to 40% cheaper to produce than new ones. They also have significant environmental benefits, such as reducing greenhouse gas emissions by 79% to 99% and cutting new material use by 80% to 98% (UN IRP 2018).

As businesses face increasing demands to meet sustainability goals like Net Zero, Extended Producer Responsibility (EPR), and Environmental, Social, and Governance (ESG) targets, remanufacturing provides a valuable solution.

### **The benefits of remanufacturing**

Remanufacturing helps businesses to reduce environmental impact and increase profits, as well as building resilience, reducing risk, and improving material security.

Leveraging advancements in AI, technology, and business models, remanufacturing enables:

- sustainable procurement
- value retention and life extension of assets
- remanufacturing and electrification of transport and heavy-duty machinery
- waste reduction
- new product development

From IT equipment to medical devices and electronic components, remanufacturing offers opportunities for businesses in multiple sectors.

### **How the Catalyst can support your business**

Talk to the team at the Catalyst, and we can help your business access a wealth of benefits, including:

- Expertise in AI, robotics, digital technologies, supply chain management, process simulations, and 3D printing
- State-of-the-art labs featuring robotics, manufacturing, control engineering, Electric Vehicles, and 5G technologies
- Workshops, training programmes, student talent, and collaborative R&D opportunities
- Connections to a national network of academic and industrial experts

**University of Brighton**

<https://www.brighton.ac.uk/business-services/remanufacturing-catalyst.aspx>

## Brighton & Hove Business Show

### Free health checks and business headshots at business show

Brighton & Hove Business Show is going interactive. This year, exhibitor and visitor show passes will record contacts made during the day - thanks to unique QR codes. The same pass will allow those who pre-register ultra-fast entry to the **Amex Stadium** on the day of the show - **June 5**.

That's not all that is new. There will be free health checks, including blood pressure, courtesy of My HQ who will be exhibiting on stand 28. The checks are designed to help those who may be too busy to visit a GP and results are on-the-spot. In addition, professional photographer Sam Khan will be offering free business headshots throughout the day.

### Piers Bonnett from Wellesley Wealth engaging with Emma Cleary of Flexibility Matters

The show is taking place from 10am to 3pm. There are still a few stands available. If you are thinking of exhibiting, now is the time to book.

You can see the floor plan and exhibitor list on the event's website.

This year's Business Breakfast, being staged ahead of the show, is at HB's restaurant inside the Amex at 8am. Guest speaker is April Baker, CEO of Together Co. Tickets are available here:

<https://www.tickettailor.com/events/brightonandhovebusinessshow/1470257>

The show's seminar line-up is complete and the full timetable can be viewed online. The keynote speaker is Andrew Wright, of Action Your Potential. He will be talking about 'Be a #NeuroNinja and learn well-being is a skill'.

This promises to be a busy day with a lot going on. There will be between 60 and 70 exhibitors and hundreds of visitors, offering all-day networking opportunities in an atmosphere with a great buzz.

To book a stand or register for a free visitor pass, go to <https://brightonandhovebusinessshow.uk/>

# Burgess Hill Girls

## 15% Discount on Burgess Hill Girls Fees for Members of Two Local Business Associations.

As leaders of our local business community, Burgess Hill Girls is pleased to offer members of Burgess Hill Business Parks Association and Haywards Heath Business Association 15% discount on the fees, advertised each year, for day girls who are related to business associations members ( Daughter, Granddaughter or Niece). Details of the fees for 2025/26 can be found [here](#).

The offer is valid for girls who meet the entry requirements starting school in September 2025, 2026, or 2027, in any part of the school; Prep (Reception – Year 6), Senior (Year 7 – Year 13). For more information or to arrange an individual visit to the school please contact, Rosie in the Admissions team who will be happy to help you.

So, what makes Burgess Hill Girls a great place to go to school?

Founded in 1906 by Miss Beatrice Goode (Head 1906-1938) the school opened because of local demand from parents to give girls an education equal to that of boys. It's mission today is to develop 'Tomorrows Women' and the success of the school is based on providing students with the education, skills, and knowledge, to be successful academically and the [GCSE](#) and [A level](#) results reflect this. Equally important are the opportunities the school offers to the girls from a co-curricular and enrichment perspective to ensure students leave feeling confident in themselves, ready to make their mark in the world.

Here's some key headlines from the schools last ISI Inspection:

- Students show sensitivity, care, and consideration towards their peers.
- Students are excellent communicators and active listeners.
- Students of all ages develop excellent levels of confidence.
- The holistic co-curricular provision firmly underpins high achievement in many fields
- Students attain higher examination grades than expected for their ability.
- Most students gain places at their first choice of university, often with highly demanding entry requirements.

If you'd like to explore this offer further, have a chat with Anne Pithie, Director of Marketing and Communications at Burgess Hill Girls.

Anne would be happy to talk to you in the first instance.

## VE Day Celebrations!

### Burgess Hill Town Council Announces VE Day 80th Anniversary Plans for Thursday 8 May Celebrating Victory in Europe Day with a Day of Events

To mark the 80th anniversary of Victory in Europe (VE) Day, Burgess Hill Town Council has announced a line up of both celebratory and reflective events set to take place on Thursday, 8 May. The Town Council is proud to deliver a full day of activities, alongside a special pre-event tea party on Thursday, 1 May. The celebrations aim to bring the community together, honouring this important historical milestone.

#### Pre-Event Tea Party – Thursday 1 May

Tickets are now available for a delightful pre-event tea party, set to take place at the Kings Weald Community Centre. The event will feature a light tea and will be supported by generous sponsorship from GoodOaks Homecare and the Co-op. Burgess Hill Girls School will also provide entertainment. This tea party offers a warm and welcoming occasion for residents to begin the VE Day celebrations early but tickets must be booked in advance.

#### VE Day Programme – Thursday 8 May

The day's events will kick off with a poignant Raising of the Flag service at 9:00 am, to be held in the War Memorial Garden. The service will be led by Father David from St John the Evangelist, with support from the Salvation Army band. Local dignitaries, including representatives from the Town Council, the Royal British Legion, and local hero John Buck, will read the VE Day Proclamation.

At 12:30 pm, invited community groups will be treated to a Street Luncheon Party at the Town Centre. Entertainment will be provided by Southway Junior School and Burgess Hill Girls School, alongside roving performers. A special Cake Competition will also take place, with entries to be delivered to the Theatre Club between 11:00-11:30 am for judging. The cakes, provided by GoodOaks Homecare and the Burgess Hill Martlets Women's Institute, will be served at the event. GoodOaks Homecare will also be sponsoring the light luncheon for guests.

The grand finale will take place at St John's Park in the afternoon, where the Town Council encourages residents to walk to the event. Starting at 4:30 pm, the Main Event will feature a packed entertainment programme, food and drinks, and a range of activities for all ages. Local favourites, including the Burgess Hill Bonfire Society's BBQ, Olly's Fish Shack, the Cricket Club Bar, and the Park View Kiosk, will be offering food and beverages. Guests can enjoy traditional games in the dedicated games area, and we

beverages. Guests can enjoy traditional games in the dedicated games area, and we encourage everyone to dress in red, white, and blue, adding to the celebratory atmosphere.

At 6:30 pm, the Ringing of the Bells at St John's the Evangelist will provide a solemn reminder of the significance of VE Day. The event will culminate with the Lighting of the Beacon at 9:30 pm, followed by a rendition of I Vow to Thee My Country. A commemorative programme for the day's events will be available for download on the Town Council website in the coming days. Printed versions will also be available to collect from the Help Point. Special thanks to Burgess Hill Girls School for sponsoring the commemorative programme.

The Town Council extends a warm invitation to the entire community to participate in these meaningful and enjoyable events. We look forward to seeing you there!
