Mid Sussex Science Week

An onboarding event

Our annual engagement with 1,000 ten year olds across Mid Sussex

[Mid Sussex Science Week](#) is co-organised by a team from a local firm of mechanical and electrical consulting engineers: [BSE|3D](#) and [BHBPA](#).

Volunteers from various local businesses visit local Primary Schools during the week to share knowledge of their jobs and help inspire them with a project.

11 years of MSSW and a growing impact

This year is bigger than ever, with eleven schools from Burgess Hill and Haywards Heath taking part.

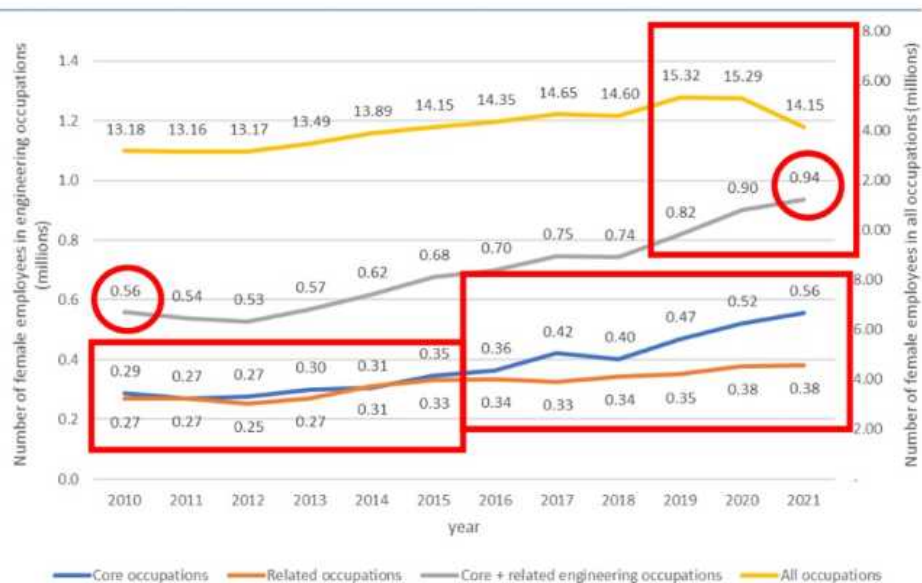

We all use STEM constantly, it is at the centre of almost everything we do. STEM is an ever changing field, so we need to inspire and encourage the next generation of scientists, inventors, engineers and designers.

Some students become disengaged from STEM as they enter secondary school, so we aim to inspire them to continue their STEM studies and passions.

We aim to inspire all of the students involved, particularly the girls. Women are still under-represented in the UK making up just over quarter of the workforce despite being about 50% of the overall population. By running events like these we hope to empower women into STEM.

Trends in the numbers of women in the workforce

This represents an increase from 562,000 women working in engineering roles in 2010 to 936,000 in 2021.

MSSW would not happen without the invaluable financial support provided by our generous sponsors:

- MSDC
- Gatwick Airport
- Edwards Vacuum
- Carpenter Box

We are especially grateful to our STEM ambassadors, all of whom give freely their invaluable time over the week to visit their partnered school and help them with their MSSW project.

This year's STEM Ambassadors, almost all of whom are members of BHBPA, met earlier this month to be introduced to the Year 5 teacher at their partnered school and to find out more about what makes a science project 'sing' for our respected judges.

SugarLips Doughnuts

Introducing SugarLips Doughnuts — Luxury Plant-Based Patisserie, Made in Hassocks

Some businesses exist to fill a gap. SugarLips exists to fill it beautifully.

Founded by Kevin and partner Felicity, SugarLips is a small-batch luxury patisserie making 100% plant-based doughnuts and Levain-style cookies that refuse to compromise on quality, craft, or indulgence.

Every product is handmade in small batches using considered ingredients — the kind you can taste the difference in.

The SugarLips philosophy is simple: inclusive luxury. In any room, at any table, dietary requirements should never mean settling for less. One box. Everyone included. Nobody left out.

Beautifully gift boxed

Kevin Gent

Each week SugarLips releases a limited Friday Drop, a new flavour, a new creation, available to order from Sunday evening and delivered within six miles of Hassocks every Friday.

Recent drops have included Tiramisu, Caramel Almond and Sea Salt, and Pistachio Crème. The Vault, as it's known, closes midnight Wednesday. Miss it and you wait for next week.

Beyond the Friday drop, SugarLips offers corporate gifting and bespoke office treat boxes, perfect for team rewards, client appreciation, onboarding moments, or simply making a Friday feel like something worth arriving for.

If your business values quality and considers the whole team, a SugarLips box makes the moment.

SugarLips products are already trusted by Proper Cycling and Coffee in Hassocks and Kelly's Coffee in Crawley, where they sit alongside speciality coffee and discerning customers who know exactly what they're tasting.

Kevin and the SugarLips team are delighted to be joining the BHBPA community and look forward to connecting with fellow members at upcoming events.

To subscribe to the Friday Drop or discuss a corporate order, visit sugarlipsdoughnuts.co.uk or find us on Instagram: @lipsdoughnuts.

Future Talent & Skills Champion

One of this year's BHBiz26 awards categories

This award was created not only to recognise the commitment, time and effort that our members put towards empowering the next generation of our local workforce, but also to provide some stand out examples that we hope others will emulate.

In 2024 this was very hotly contested with three finalists selected:

- Bluelite Graphics (Highly Commended)
- Rose Media Group
- BSE | 3D (Winner)

Future Talent & Skills Champion 2026

Sponsored by [Burgess Hill Girls](#)

What we are looking for

A company that has made a standout contribution locally over this last year.

This award recognises those companies that are helping to nurture the skills and talents of our young people in local schools, with attendance at careers fairs and mock interview mornings and offering work placement programmes that really give hands-on life experience in the workplace. Business socialization - engaging with complete strangers in a work environment on the first day of a fifteen year old's work placement - priceless.

Your business may be helping out at an after school club (such as the Green Power Club at Burgess Hill Academy) or offering work placements for university graduates or school leavers.

You may be one of our many participants in Mid Sussex Science Week. Perhaps you have stood up in front of a school assembly and explained more about your job or your attitude to work and career, inspiring young people.

Let's celebrate that and encourage others!

BHBiz26

We'd like to thank the sponsors of this year's awards

This event would not be possible without them. It enables us to keep our ticket prices at the same prices as in 2024 with a memorable celebratory event for close to 200 attendees on the night. [LIVE on our website](#)

How to enter

Eligibility to enter:

- To enter our BHBiz awards you must be a member.
- You can also nominate other individuals, as long as they work in a member business, you'll need their permission to do so nevertheless
- You can enter up to four different categories, but in each category you have the opportunity to make multiple entries. So if you have several 'Bright Stars' or 'Star Apprentices', tell us why they're ALL exceptional.

Read about what we are looking for in each of the award descriptions above. Our judges are looking for evidenced submissions so make it apparent what has been achieved.

Are You Tough Enough?

77% of businesses think they're resilient. Only 27% have ever tested it.

Source: Business Continuity Institute

That gap is where disruption does its damage. Is your business exposed?

Supply chain failure

- A key supplier goes under or can't deliver — and suddenly neither can you.
- Do you know how long you could cope, and what you'd do next?

Cyber-attack and IT failure

- 47% of UK businesses suffered a cyber breach last year (ERC, 2025).
- Without a continuity plan, recovery takes longer than it should — and costs more than it needs to.

Losing a key person

- When critical knowledge walks out the door, operations stall.
- Most SMEs have no plan for who covers what, or how fast they recover.

How can we help?

I work with businesses in Burgess Hill and the surrounding area to identify their vulnerabilities before they become a crisis — and build practical plans that hold up under pressure. Using the 4A Resilience Framework™, we help you move from assumption to evidence, quickly and without jargon.

If you're not sure your business would pass the test, find out in minutes.

AI Can Make This Worse for Your Business

AI is everywhere right now

But here's the problem: If your systems are messy, AI will only make them worse. Faster workarounds. Faster confusion. Faster mistakes.

Our latest blog explains what needs to be in place before AI can help.
In the article, you'll learn:

- Where AI creates more problems than it solves
- Signs your systems aren't ready for AI
- How to prepare without overcomplicating things

AI Literacy for communicators

Are you ready to confidently navigate the growing role of AI in communications?

We're pleased to invite you to our **AI Literacy for Communicators** online short course, a research-led CPD programme designed specifically for senior PR, marketing, and communications professionals.

Course Details:

Dates: 2nd – 5th June 2026

Time: 9:30 – 11:30 (daily)

Location: Online

This course is co-facilitated by a commercial practitioner and a University of Sussex Associate Professor, combining academic rigour with real-world application.

What you'll gain:

- A practical framework for AI literacy, including technical understanding, critical evaluation, responsible use, and human oversight
- Insight into the generative AI economic landscape
- Tools to identify, mitigate, and communicate AI-related ethical risks
- A clear understanding of the emerging AI information economy
- The ability to define and articulate a defensible AI governance position
- Foundations to develop tailored AI policies and processes

Across four interactive sessions, you'll progress from basic awareness to confident, informed use of AI in your professional practice.

Who should attend?

This course is ideal for heads of communications, senior PR and marketing professionals, in-house leaders, and consultants who are already using AI tools and want to deepen their understanding, confidence, and accountability.

This non-accredited CPD course is open to all relevant professionals and includes a certificate of completion.

Summer Fayre Returns!

The Burgess Hill Town Council Summer Fayre Returns!

Burgess Hill Town Council is looking forward to a fun-filled Summer Fayre on Sunday 14 June, promising a day full of community spirit and fantastic entertainment for all ages.

The event will be kicked off by a vibrant parade at 11am, led by Burgess Hill Marching Youth Band and sponsored by Burgess Hill District Lions. The parade will feature seven local primary schools including Birchwood Grove, London Meed, Oak Tree Primary, Sheddingdean, Southway Primary, St Wildrid's, and The Gattons alongside community groups Burgess Hill Youth and Girlguiding. This year's theme is 'Sussex Beach', with creative parade items proudly designed and organised by Burgess Hill Creative Community.

The cricket pitch will be full of activity, with over 80 stalls from local groups, charities and independent businesses, as well as variety of food and drink traders.

Visitors can also enjoy a full programme of performances from local groups including Burgess Hill Rugby Club, Ariel Company Theatre, GKR Karate, Walkhouse School of Dance and PQA Haywards Heath. Come along and support local talent throughout the day.

- There will be plenty of free activities to enjoy throughout the day, including:
- BMX Show from RPM Display
- Circus Skills and slacklining from Circus All Stars, proudly sponsored by GoodOaks Home Care
- Falconry displays from Huxley's Birds of Prey, including static displays and two flying demonstrations
- Walkabout entertainment from Iris Enchanted featuring four popular characters
- Inflatables from Brighton Bouncy Castles
- Face Painting from Rainbows Face Paint
- Children's craft hosted by Burgess Hill Creative Community

Mid Sussex Radio will be providing music and announcements throughout the day to keep visitors entertained.

With two big events taking place on the same day, Burgess Hill is set to be a destination town for visitors across Mid Sussex. Alongside the Summer Fayre at St John's Park, Wheels Through the Years at Fairfield Recreation Ground will also be running from 11am to 4pm.

To help visitors enjoy both events, a free shuttle bus, will run between the two locations from 12pm to 3pm, approximately every 15 to 20 minutes. The service is funded by Burgess Hill Town Council and operated by Community Transport Sussex.

St John's Park is easily accessible and visitors are encouraged to walk where possible. For those travelling by car, nearby pay and display parking is available at Cyprus Road Car Park and Market Place Shopping.

Town Mayor, Stuart Condie said: *"We look forward to welcoming the Burgess Hill community to an event that showcases the talent in our town. This brings the community together and we have listened to residents' feedback on what they like to see. Also, to have Wheels Through the Years on the same day ensures Burgess Hill is a destination town in Mid Sussex"*.

The event programme will be available to download at www.burgesshill.gov.uk. For updates, follow Burgess Hill Town Council on social media or sign up to the mailing list via the website.

Grant Applications Open for 2026

Community groups and local voluntary organisations are invited to apply for major and minor grants from Burgess Hill Town Council.

For 2025/2026, £16,735 in grants was awarded to 22 groups, with a range of projects and activities supported. Say Aphasia, who provide a supportive, inclusive space where adults with an acquired communication disability can connect, feel understood, and feel confident living with the condition, was awarded £500 towards their Burgess Hill group.

On Monday 11th May, Burgess Hill Town Mayor Stuart Condie and Chairman of the Grants Committee Mathew Goldsmith, visited the group and engaged with attendees.

Town Mayor Councillor Condie said of the visit *"It was lovely to meet the attendees of the Burgess Hill group and understand the benefit the group has to its members. We are proud to have been able to support them."*

Councillor Goldsmith, Chairman of the Grants Committee, added *"It was a pleasure to award Say Aphasia a grant, and it is great to see how the funds will support the group going forward."*

Howard Mitchell, Peer Leader for Burgess Hill Support Group said *"We are grateful for the funds received, that will allow the group to continue to meet."*

Grant Applications

Burgess Hill Town Council is keen to support a range of projects and groups are invited to submit applications, via the website until **30 June 2026**.

Minor Grants of up to £1,000 are available for running costs or capital expenditure, and Major Grants of £1,000 or more are available for capital projects.

If you are interested in applying for a grant or for further information visit:

King's Award for Enterprise

Part of the Honours system which recognises the outstanding achievements of businesses

There are five different categories of awards:

- Young Founder
- Innovation
- International Trade
- Sustainability
- Promoting Opportunity through Social Mobility

In West Sussex, three businesses were recently announced as winners, Metricell Ltd, The Dog-G8 Company and ERG Air Pollution Control Ltd. The Kings Awards are greatly valued in the UK and internationally as a symbol of trust and credibility. This year, the Young Founders category has been added to recognise young entrepreneurs and the importance of their contribution to driving innovation and making a positive impact through their enterprise.

The application process for the awards has just opened and closes on 9th September 2026. <https://www.gov.uk/kings-awards-for-enterprise>

At my request a group of Deputy Lieutenants in West Sussex have arranged a webinar to explain and promote The King's Awards for Enterprise. Contributors to the webinar will include past winners who will explain their approach to the application process and also the significant benefits to their business as a result of this recognition.

The webinar will be administered by the Chichester College Group and their help and support is much appreciated.

The webinar take place at 11am on Thursday 25th June 2026 for one hour.

Businesses registering for the webinar should use this link:

Beyond the Tap

Webinar hosted by South East Water 'Beyond the Tap: an update on water resources for businesses'

Nick Price, head of water resources at South East Water invites you to a webinar tailored for non-household (NHH) customers, retailers, and business groups.

The session will provide a comprehensive briefing on their 2026 regional outlook and the strategic support available to help your organisation stay water-resilient.

Event details

The webinar will be online via Google Meets on **Friday 5 June at 10:30am**. There will be time for questions and discussion at the end.

[Please register here to secure your place.](#)

What will be covered

They will lead a deep dive into the following key areas to prepare your business for the season ahead:

- **Summer forecasts and scenarios:** An analysis of their water resources position as we approach summer, rainfall forecasts, and temperature projections.
- **Network resilience:** Updates on engineering schemes and operational improvements designed to minimise service interruptions.
- **Practical preparedness:** Water-saving guidance, contingency planning, and sector-specific advice.
- **Market insights:** An overview of their NHH programme and navigating the Open Water Market and how they work with water retailers to support NHH.

South East Water believe this briefing will ensure you have the data and resources needed to navigate the summer months with confidence.

July Micro-Meet

Join us this July 10th for a 'Revive' Net-walking Experience

Stunning Views & Ancient Woodland Paths

The 'Revive' net-walking experience begins from Ashdown Park Hotel and we stroll through some of the most picturesque areas of the Ashdown Forest. Open heathlands roll out in every direction, giving way to quiet woodlands rich with wildlife scurrying along as we nonchalantly pass on by. Depending on the season, we're treated to golden gorse, carpets of bluebells or rustling autumn leaves.

Combining the simple pleasure of walking with the natural flow of conversation our events offer something unique, a chance to connect with like-minded individuals in a relaxed and informal way.

A far cry from stuffy meeting rooms or virtual calls. We walk, we talk and let nature do what it does best, clear our minds, fuel our thinking and conversations as we stroll across ancient pastures and marvel the breathtaking views.

Why Walk With Us?

It's the perfect setting to connect with BHBA members old and new, to clear the mind and escape the digital world for a while, only to return feeling energised and fully refreshed - not just physically but mentally too!

Benefits include:

- Light physical activity in fresh air
- Mental clarity and reduced stress
- Easy, authentic networking
- A deeper connection to the local landscape

Join Us

You're warmly invited to join us on Friday the 10th of July for a circular walk (approx. 60 mins) Let's walk, talk and reconnect with nature and BHBA members. No pressure, no pace just good vibes. Complimentary teas & coffees served with delicious homemade cookies after our walk.
